PLEASE LEAVE DINKY
IN A CLEAN AND TIDY CONDITION

This is so the space can be used and enjoyed by everyone. Thank you for helping keep our space welcoming and accessible for all.

Please help by:

- Switching off the **lights when leaving.**
- **Folding away whiteboards**, so the space remains wheelchair accessible.
- **Emptying the bin if its full** - place the tied bin bags next to the kitchen bin in the main space.
- **Wiping up any spills or marks** left on the tables from food and drinks. Wash up any crockery you have used.
- **Vacuuming any significant mess** you have made from the floor.
- **Taking away any items from your event** with you (e.g. leaflets, handouts or belongings). Wiping the whieboard so it's available for the next users of the room.

Cleaning supplies and bin bags can be found in the kitchen.
